OUR MISSION STATEMENT

At Northern Valley Regional High School, we provide a safe environment in which each student seeks answers to questions, challenges assumptions and develops self-worth. Recognition of academic and cultural diversity promotes mutual respect and acceptance. Our high schools encourage individual academic excellence, aesthetic appreciation and moral integrity. We seek to prepare all students for their roles in a rapidly changing and diverse global community, and to become independent learners, critical thinkers, problem solvers, collaborative workers and responsible contributors to society.

Education requires a shared commitment. In providing a framework for the immediate and future concerns of our students, we require a constant and critical reevaluation of curriculum and course design to keep abreast of global research and new techniques within our respective discipline. The joint commitment of students, professional staff, Board of Education and the community, which supports and complements our mission, forms the basis for a challenging and effective program.

GRADE SCALE, COURSE WEIGHTING, GPA CALCULATION, GPA DISTRIBUTION AND CLASS RANK

GRADE SCALE AND GPA:

100-point scale course grades correlate to letter grades. Final letter grades convert to a 4.0 GPA scale (revised 2018-19).

Prior to 2018-19, Honors and AP courses received +1.0 in the weighted GPA.

Beginning 2018-19, Enriched (E), Honors (H) and Advanced Placement (AP) courses receive revised GPA weight according to table below.

Impact of new grade scale and weighting for Class of 2020 began in 11th grade.

GPA is calculated using final grades in all completed courses. Remedial courses are included in GPA. New credit courses taken through summer school, virtual school or third party providers are not included. All transfer grades are included where possible; otherwise, they are awarded P (Pass) or F (Fail) and do not calculate into the GPA.

GPA is calculated at the end of 4th, 6th, 7th and 8th semesters. Each course's GPA value is multiplied by the credits earned (including half potential credits for 7th semester) to determine quality points. GPA value equals the total quality points earned divided by total credits attempted (including half potential credits 7th semester).

GPA DISTRIBUTION	
CLASS SIZE: 311	WEIGHTED

3.00 - 3.24	37
2.75 - 2.99	23
2.25 - 2.74	21
2.24 OR BELOW	3

GPA STATISTICS & DISTRIBUTION: Weighted GPA distribution details for the class of 2020 are displayed on the table (left).

CLASS RANK: Within our very challenging academic environment, most students earn exemplary grades. Comparisons among students inherent in class rank unnecessarily increase competition, stress and anxiety. **Northern Valley does not publish class rank, percentile or decile.** Institutions *requiring* such information for admission or scholarship consideration should communicate directly with our office.

SCHOOL ENROLLMENT AND COURSE ENROLLMENT:

Courses are noted on the transcript if a student is enrolled past Quarter 1. Changes to a student's course enrollment status after initial transcripts have been sent will be communicated to institutions.

DISCIPLINE DISCLOSURE:

NVRHS does not disclose student discipline in application reports.
